Cost of choice tobaccos blended in Camels prohibits the use of coupons or premiums.

CAMELS sell 20 for 10c. If your dealer can't supply you, send 10c for one package or \$1.00 for a carton of ten packages (200 cigarettes), sent postage prepaid. **Stop Work Before You are Too Tired.**

In the August Woman's Home Companion, Margaretta Tuttle writes a fiction story entitled "The Runaway Flea Cure" in which a physician gives a patient the following good advice:

"It is not the brain nor the character that suffers first from overwork, but the body; and it is not until after the body has rendered up its excess vitality—its youthfulness—that the nerves begin to pay toll. You are not yet at that place; you are simply physically tired. But this tired is dangerous, because it is the warning that the limit of your physical support is nearly reached. We are coming to turn the value of fatigue as a warning. Those who do the best work stop just before they are tired."

**M. Cason Ill.**

Mr. Henry Cason, of Gelsberg Bros. Shoe company, went to his home in Abbeville yesterday where he will spend several days. Mr. Cason became ill and was unable to attend to his duties at the store and thought it best to go home. Mr. Cason is very popular and his many friends hope that he will soon be back in the city.

**Summer Aches and Pains.**

That backache, or stiff muscle that can not be explained on account of having "sat in a draft and caught cold" is more than likely the result of weakened or disordered kidneys. Foley Kidney Pills promptly relieve backache, sore swollen or stiff muscles and joints, rheumatism and sleep disturbing bladder ailments. They put the kidneys in sound, healthy condition, and help them eliminate uric acid and other poisons from the system. Evans Pharmacy.

## SULLIVAN HARDWARE CO.

Dear Readers:

If you give me the pleasure of a visit you will be pleasantly surprised and gratified to find how much better I am now able to attend to your optical wants. This optical establishment is just a little ahead of this city and in keeping with those to be found in larger cities. There is no cause for you to leave Anderson when you desire the service of a skilled optometrist whose facilities and equipment cannot be excelled anywhere.

It is an added pleasure for me to tell you that I have a modern lens grinding shop in connection with my optical parlors. This fact enables me to repair broken lenses while you wait, if you will bring me the broken pieces, I am able to get out prescription work the same day it is received. This eliminates the delay and annoyance of waiting while your prescription is sent out of town.

All the work, from the examination of the eye to the finished lenses and fitting of glasses is done under my personal supervision. Knowing that the work is right, I do not hesitate to guarantee satisfaction.

Bear me in mind please when I can be of further service to you.

Yours very truly,

## HELPLESS AS BABY

Down in Mind Unable to Work, and What Helped Her.

Summit Point, W. Va.—Mrs. Anna Belle Emey, of this place, says: "I suffered for 15 years with an awful pain in my right side, caused from womanly trouble, and doctored lots for it, but without success. I suffered so very much, that I became down in mind, and as helpless as a baby. I was in the worst kind of shape. Was unable to do any work."

I began taking Cardui, the woman's tonic, and got relief from the very first dose. - By the time I had taken 12 bottles, my health was completely restored. I am now 48 years years old, but feel as good as I did when only 16.

Cardui certainly saved me from losing my mind, and I feel it my duty to speak in its favor. I wish I had some power over poor, suffering women, and could make them know the good it would do them."

If you suffer from any of the ailments peculiar to women, it will certainly be worth your while to give Cardui a trial. It has been helping weak women for more than 50 years, and will help you, too.

Try Cardui. Your druggist sells it.

Write to: Chattanooga Medicine Co., Ladies' Advisory Dept., Chattanooga, Tenn., for special instructions on your case and 64-page book, "Home Treatment for Women," in plain wrapper, No. 12.

## COLORED SUMMER SCHOOL

Now Have 61 Teachers Enrolled and Everything Going Well.

Sixty-four teachers have been enrolled at the colored summer school. A few of the teachers are attending the summer normal school at the State College in Orangeburg. Others will be in attendance during the next two weeks.

Mothers teaching primary classes are being taught by Mary J. M. Earle, while methods in Arithmetic, Algebra and English grammar are presented by Prof. Pegues. Domestic science is being taught by C. W. Gassoway and all of the teachers, both male and female, are taking lessons in this class.

Mr. J. B. Felton, county superintendent of education, and Prof. E. C. McCants, superintendent of the city schools, spoke to the teachers on Monday. They constitute a part of the county board of education and told the teachers that hereafter all teachers will have to take the examination regardless of their diplomas from the colleges where they graduated. They said that credit will be given to the teachers who attend the summer school and take the final examination given by the principal.

## Traveling Man's Experience.

"In the summer of 1888 I had a very severe attack of cholera morbus. Two physicians worked over me from four a. m. to 6 p. m. without giving me any relief and then told me they did not expect me to live; that I had best telegraph for my family. Instead of doing so, I gave the hotel porter fifty cents and told him to buy me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and take no substitute. I took a double dose according to directions and went to sleep after the second dose. At five o'clock the next morning I was called by my order and took a train for my next stopping point, a well man, but feeling rather shaky from the severity of the attack," writes H. W. Ireland, Louisville, Ky. Obtainable everywhere.
